The election to include such option 4 becomes effective on the first day of the month following the month in which that election was made. The retired member must on or before the effective date agree to pay to the Treasury both the total additional amount to cover the option had it been effective when he retired, and the interest which would have accrued on the additional amount up to the effective date of the new option 4. No such additional amount (except interest) shall accrue for months after the first month for which the individual had no eligible beneficiary. However, if undue hardship or financial burden would result, payments may be made in from 2 to 12 monthly installments when the monthly amount involved is \$25 or less, or in from 2 to 36 installments when the monthly amounts involved exceed \$25. No amounts by which a member's retired pay was reduced may be refunded to, or credited on behalf of, the retired
